Our Mission
is to encourage individual development and civility in our students by inspiring them to learn, by encouraging them to serve others, and by offering them many growth-promoting opportunities.

School and Community

From our Founders’ vision in 1970 to create a school where academic excellence is encouraged, leadership is cultivated, liberal arts are valued, and phonics-based reading is essential, Latin has educated thousands of students in the importance of learning, citizenship, service to others, hard work, and Honor Above All.

- Latin is a safe place for students to express themselves and learn. Each student is known as an individual and as a member of our school community.
- Relationships are key. Our faculty and staff teach, coach, counsel, encourage, support, and care for our students.
- Academic excellence and highly-skilled teachers are the foundation of our school.
- We value diversity and the inclusion of various viewpoints, perspectives, and backgrounds. As a community of learners, we are committed to creating a welcoming and supportive environment that accepts and honors all people.

Fast Facts
Grades served: Transitional Kindergarten–Grade 12
Total enrollment: 1,549
Upper School enrollment: 584
2023–24 Senior Class: 141
Upper School cultural and ethnic diversity: 25%
1,636 Community Service Hours reported by Class of 2024 by the end of Grade 11

Upper School Faculty
97 faculty and administrative teaching staff
100% actively engages in professional development each year
70% of faculty hold advanced degrees

Core Values
- Honor Above All
- Commitment to Excellence
- Leadership
- Respect for Oneself and Others
- Personal Responsibility
- Moral Courage

Malone Scholars School
Charlotte Latin School is proud to be North Carolina’s only Malone Scholars School, endowed by the Malone Family Foundation to provide scholarships to highly capable students. The Malone Family Foundation selects 50 independent schools throughout the U.S. for “their academic caliber; the quality of their staff; excellent accommodations for gifted and talented students; strong AP/IB and enrichment programs; attention to the individual student’s needs, interests, and an economically, culturally, ethically, and socially diverse population.”

Diversity and Inclusion
Our culture of inclusive excellence is rooted in the school’s Mission and Core Values. We embrace the creativity that arises from diverse points of view, honor our students’ rich cultural experiences, and aspire to foster a sense of belonging for every member of our school community.

Our Mission is to encourage individual development and civility in our students by inspiring them to learn, by encouraging them to serve others, and by offering them many growth-promoting opportunities.
A traditional, college-preparatory curriculum is offered on a semester system. Six courses are required each year, of which four must be academic. The recommended and typical course load is five academic courses and one enrichment class. Twenty-one credits are required for graduation, including ENGLISH - 4 credits; MATH - 4 credits, SCIENCE - 3 credits; HISTORY - 3 credits including World History I, World History II, and U.S. History; WORLD LANGUAGE - 3 credits in the same language; and PHYSICAL EDUCATION - 1 credit (½ may be waived based on athletic participation).

Students must meet certain benchmarks to be placed by faculty in Honors or AP courses, with the exception of AP Psychology, AP Economics, AP Environmental Science, and AP Computer Science Principles. Students in AP classes are required to take the AP exam. Advanced Placement courses are offered in 22 subjects, while Honors courses are available in English, mathematics, certain sciences, history semester courses, and level 3+ in world language.

*Honors American Studies is of equivalent rigor to AP U.S. History.

High school classes completed in Middle School are indicated on the transcript but are not included in any GPA.

**Note regarding math curriculum:**
Our non-honors math curriculum consists of Algebra I, Geometry, Algebra II, Advanced Functions/Trig (AFT), Precalculus, and Calculus. In general students may only “skip” AFT by earning an “A” or “A-” in Algebra II. Precalculus does not lead directly to AP Calculus; the AP Calculus curriculum begins at the end of Honors Precalculus. As our Honors math curriculum is unusually rigorous and fast-paced, many fine math students are placed in “standard” courses.
AP and Advanced Course Options

**English**
(4 credits required)
Advanced/Honors
Honors American Literature
AP
AP English Literature

**World Language**
(3 credits required)
Advanced/Honors
Honors French III
Honors French IV
