

Rising 2nd Grade Summer Reading

Congratulations on completing first grade! You have learned so much and are ready to keep reading this summer.

Here are some ideas to try:

- Read to a sibling or friend
- Read to a stuffed animal and pretend you are the teacher
- Record yourself reading and listen to it
- Reread favorite books
- Find a new book series that looks interesting
- Set up a cozy reading spot in your house, just for you!

Directions for summer reading:

1. Choose a favorite book you read this summer.
2. Write the book title and author on the postcard.
3. Write a letter to your new 2nd grade teacher to tell her about the book.
4. Write your name at the bottom.
5. On the back of the postcard or on a separate sheet, draw a picture of your favorite part of the book.

Parents, our school library is amazing! Please use this link as a resource to choose great books for your child to read this summer.
